(CFDA #84.184E)

Fiscal Year 2004 Grant Recipients

The Emergency Response and Crisis Management Program provides local educational agencies with funds to improve and strengthen emergency response and crisis management plans, including training school personnel, students and parents in emergency response procedures and coordinating with local government, law enforcement, public safety, health, and mental health agencies. Strong plans are developed in coordination with those key community groups are not shelf documents, but instead practiced and updated frequently.
