

**Grants to States to Improve Management
of Drug and Violence Prevention Programs (84.184R)**

Fiscal Year (FY) 2004 Grant Recipients

The following State Educational Agencies (SEA) have been awarded a three-year grant through the Grants to States to Improve Management of Drug and Violence Prevention Programs. The purpose of the Grants to States to Improve Management of Drug and Violence Prevention Programs is to award grants to state agencies to support development and testing of strategies for developing, expanding, or enhancing the capacity of state and local educational agencies, and other state agencies and community-based entities, to collect, analyze, and use data to improve the quality of drug and violence prevention programs administered in the states.
