

MENTORING PROGRAMS (84.184B)
Fiscal Year (FY) 2002 Grant Recipients

The following school districts and non-profit, community-based organizations have been awarded a three-year grant through the Mentoring Programs grant competition. This program is designed to assist local educational agencies and nonprofit, community-based organizations to initiate, expand, or improve mentoring programs for children with the greatest need, particularly those living in rural areas, high-crime areas, troubled home environments, or experiencing educational failure.
